Vincent Rosenbalm v Mendocino Court Citizens Complaint or Penal Code 832.5
Case MCUK CRCR 06-74005 July 30, 2007

Linda Thompson,

Falsifying court records is a serious offense. And poisoning people under penal code 347 is even more serious. The court order you submitted 4/10/2007 is illegal and you committed perjury by saying you are my lawyer when you are not. I fired you on 10/23/2006 then furthermore you went on vacation and told me you could not defend me anyway? Definitely this is a conflict of interest and a good reason to fire you.

Yet you have the nerve to commit perjury and obstruction of justice by filling out court documents saying you are my attorney when you are not? On 12/21/2006 you violated stat bar ethics by submitting evidence illegally without a discovery, you cannot submit evidence without a discovery.????

Judge Brennan and Henderson have submitted illegal documents too, along with Ukiah Police I see hundreds of indictments coming your way for hundreds of crimes committed? Kidnapping and extortion are serious crimes and so is submitting false evidence and false court documents?

Citizens Complaint under Penal Code 832.5 Judges Brown and Brennan

Vincent Rosenbalm Mendocino Case MCUK CRCR 06-74005

On December 21, 2006 Mendocino Superior Court Brown allowed testimony of 2 Doctors without a discovery or lawyer. See Penal Code 1102.5! Judge Brown also denied me a marsden motion at this time!

On April 13, 2007 Mendocino Superior Court Judge Clayton Brennan signed a court order MCUK CRCR 06-74005-02 with an illegal incorrect name on it!! At this hearing Judge Brennan denied me lawyers and witnesses violating the 6th and 14th Amendment of the US Constitution. I further believe this hearing was brought about by fraudulent papers signed as a means of revenge by attorney Linda Thompson for a state bar complaint. Her state bar number is #118430 and she is under investigation for her misconduct. Under the penalty of perjury this is true to the best of my knowledge, and I command you forthwith to arrest judges Brown and Brennan for the following three counts, and bring them to the nearest and most accessible magistrate!

- 1) Penal Code 182 Obstruction of Justice
- 2) Penal Code 207 Kidnapping
- 3) Penal Code 236 False Imprisonment

Vincent Rosenbalm v Mendocino Superior Court 7/24/2007

Case MCUK CRCR 06-74005 and -02 And Lake County CR-4000

February 2004 I was arrested by Mendocino Sheriffs and held 7 days without charges or arraignment and released due to computer error! Mistake and not arraigned within 72 hours.

9/2006 on or about 9/22/2006 I was arrested by officer Glenn Stark who stole about \$5600 cash and checks my car, my keys, cell phone, ID and booked me to appear in court at a later date, then released me OR no case ever appeared on the court docket! Penal code 1382 says dismissal!!! That same day I went home and found a warrant in my house and home destroyed signed Glenn Stark, how can officer Stark book me and serve a warrant at the same time it is impossible to be in two *(2) places at the same time. The warrant did not even have a DA signature on it illegal. I called the court several times but no case ever appeared on the docket! Mr Stark is also the subject of a scandal involving Mayacama Golf Course and a Department of Justice investigation involving the CSI union in North Carolina. Jim Brooks and John Krikorian may be involved in this scandal and be implicated on Federal charges.

I was appointed Public defender Linda Thompson on 10/23/2006 I fired her that day and asked for a marsden hearing. She told me should couldn't defend me anyway because she was going on vacation. No attorney has been appointed by Superior Court after that date.

No discovery, No preliminary has been filed the whole 10 months of this case! See penal cold 859 and 1382?? As long as I have no discovery or preliminary no charges exist!!! I believe several judges, police, and lawyers have committed hundreds of federal crimes in these matters. I asked for a change of venue due to the corruption. I cannot possibly have a fair trial with no lawyer, witnesses and a preliminary. \

On 12/21/2006 I believe I told Judge Brown today is 94 days into this case and it should have been dismissed about 34 days ago. I did not waive time and this case is obstructing justice in several federal matters. I believe Linda Thompson violated state bar ethics by illegally submitting evidence by #(2) witnesses without discovery and this evidence is inadmissible!!!! I believe she prepared a false court document on 4/10/07, she is not my lawyer I fired her on 10/23/2006 and then she went on vacation!!!

4/13/2007 Judge Brennan signed a court order that has an incorrect name on it, it is not my name and I am currently being illegally detained on illegal order and name not mine. At this hearing he also denied me witnesses and a lawyer violating the 6th and 14th amendment of the US Constitution. Police recently came to my cell and threatened to kill my family member and attempted to torture me!! My hope is a grand jury stops this corruption!!! Under the penalty of perjury this is true to the best of my knowledge.
